Hep B for employees (when company is paying)

When hepB is required for an employee, please follow the procedure set out below:-

1. A form is to be given or collected, by the patient when the appt. is made.
2. The form is to be completed and signed by the employer and returned when the patient attends the appt with a payment of £21.50.
3. This is not to be confused with hep B re holidays .This remains the same £10 per course and £10 for admin. charge.
